

Ecommerce Sales Dashboard

Revenue(In Lakhs)	Avg Profit Margin(%)	Total Orders	Cancellation Rate(%)	Average Rating	Return Rate(%)
₹44.93	21.03%	1198	36.56%	2.91	9.08%

Insights:

- 1. Bangalore is the top performing city, combining revenue with high profitability
- 2. Cancellation rate peaks in August, coinciding with the highest order volume,indicating capacity constraints during peak demand
- 3.Electronics is the most profitable category, contributing over 70% of total profit.
- 4. Orders with Shipping delay greater than 7 days tend to recieve lower rating and higher cancellation rates.
